

## WSDOT I-5 Seattle & Shoreline Construction

---

*Edition 41, September 29, 2006*

### In this issue:

- RSVP to tour the Alaskan Way Viaduct Oct. 14
- Upcoming closures that may affect your trips

### RSVP to tour the Alaskan Way Viaduct Oct. 14

WSDOT bridge maintenance crews will close both decks of the Alaskan Way Viaduct for the semi-annual inspection Oct. 14 and 15 from 6 a.m. to 6 p.m. During the Saturday closure, we'll host public tours between 9 a.m. and noon. Because the inspection is the top priority during the closure, space at this event is limited. If you'd like to attend, you must RSVP to [viaduct@wsdot.wa.gov](mailto:viaduct@wsdot.wa.gov) or leave a message at (206) 269-4421. The deadline to RSVP is Friday, October 6. For safety reasons, no children are allowed on the tour.

### Upcoming closures that may affect your trips

#### I-5, Duwamish to Boeing Access

We'll close the two right lanes of northbound I-5 Saturday night, Sept. 30 from 11 p.m. to 5 a.m. from the Duwamish curves to the vicinity of Boeing Access Road for pavement repair.

#### I-5, Mercer Street

The [Seattle Department of Transportation](#) will close the right-hand turn onto Fairview at the bottom of the Mercer Street ramp for two full weekends Sept. 30 – Oct. 2 and again Oct. 6 – Oct. 9. During the closure City of Seattle crews will build rails for their new streetcar across Fairview Ave. Drivers will be directed to a detour route or to alternate exits downtown. This may cause congestion on I-5.

#### I-5, North Seattle

The left lane of I-5 in both directions will be closed nightly Monday through Thursday (Oct. 2-5) from NE 50th St. to N. 200th St. One of the I-5 express lanes will also be closed from 8 p.m. to 4 a.m. Crews are upgrading seven bridges over I-5.

#### SR 99 (Aurora Ave. N.), Shoreline

The City of Shoreline has closed N. 160<sup>th</sup> St. east of Aurora for repair work through the next two weeks. Also, through Oct. 10 crews will pave SR 99 during the day between N. 145<sup>th</sup> St. and N. 165<sup>th</sup> Street. Expect slowdowns if traveling this route.
